## Summary

I'm Shivam, a creative web developer and UI/UX designer. With a passion for designing and development, I'm skilled in Git, Version Control, HTML, CSS, Bootstrap, TailwindCSS, JavaScript, React, Node.js, MongoDB, Express.js, DBMS, MySQL, SQL, Java and Software Development. I specialize in creating custom web platforms and beautiful user interfaces that are both visually appealing and functional. As a freelancer, I'm always looking for new projects and challenges.
